

What is behind the Carter rehabilita-

Then there were his military decisions. Carter was seen by many at the time as weak on defense because he began by slashing the Pentagon's budget. When the Soviet Union failed to respond in kind, Carter built

If Carter was such a good president, why was he so unpopular? It was a combination, scholars say, of bad

To applause and the jubilant sound of a ram's horn, a ship

With time running out on what is expected to be the final round of peace talks to end El Salvador's 12-year-old civil war, Salvadoran President Alfredo Cristiani agreed to fly to New York to join the negotiations. Diplomats involved in the talks said Cristiani was joining the talks at the United Nations despite the opposition of military and political leaders in El Salvador who fear he will make unreasonable concessions.
